THE BMW X1.

Powered by pure determination and enormous aplomb, the BMW X1 meets each new challenge with equanimity. Whatever direction proves to be the right one, what matters most is the drive to discover and explore. Find out for yourself just how far you can go with this perfect synergy of dynamism, agility and versatility in the BMW X1.

MULTIPLY YOUR JOY. 4X4.

xDrive, BMW's intelligent all-wheel drive system adapts perfectly to the most challenging road surface conditions. Leaving your mark will now come naturally as the BMW xDrive intelligently redistributes power to the wheel with the most traction. And since this system is lighter and more effective than before, it delivers a more efficient all-wheel drive experience. It combines all the advantages of an all-wheel drive system – traction, directional stability and driving safety – with classic BMW agility for even more driving pleasure.

LOOK THE PART.

The BMW X1 interprets the characteristic appearance of an SAV in a manner which is versatile and dynamic in equal measure. It combines an athletic design with compact exterior dimensions, without compromising on flexibility or the generous amount of space in both rows of seats. The combination of high-quality materials and matching integrated accents skillfully rounds off the look of the car. All in all, ensuring you don't look out of place as you seek to leave a mark anywhere you go.

A WHOLE NEW WORLD INSIDE.

Leave your mark in absolute style and comfort. The interior of the BMW X1 treats its passengers to an elevated seating position for the best possible view, enjoyed from surroundings with high-quality materials. With class-leading rear headroom and interior space, the rear cabin becomes the epitome of comfort that complements the excitement of the front seats.

INNOVATIONS AND TECHNOLOGY.

BMW TWIN POWER TURBO ENGINES: At the heart of BMW EfficientDynamics.

BMW EFFICIENT DYNAMICS: Maximum driving pleasure, minimum fuel consumption.

BMW CONNECTED DRIVE: Services, Apps and driver assistance systems.

SAFETY: State-of-the-art technology.

BMW TWIN POWER TURBO ENGINES.

AT THE HEART OF BMW EFFICIENT DYNAMICS.

Thanks to BMW TwinPower Turbo technology, the innovative new generation of BMW engines from the BMW EfficientDynamics engine range guarantee even more thrilling power delivery and excellent responsiveness even at low engine speeds, while also keeping fuel consumption and emissions to a minimum. Increased efficiency and optimal dynamics make driving a BMW more enjoyable than ever.

Diesel

Technical Specifications:

- ▶ Power: 140 kW (190hp)
- ▶ Torque: 400 Nm
- ▶ 0-100 km/h: 7.8 seconds (sDrive)
7.6 seconds (xDrive)
- ▶ Top Speed: 222 km/h¹ (sDrive)
219 km/h¹ (xDrive)

Petrol

Technical Specifications:

- ▶ Power: 141 kW (192hp)
- ▶ Torque: 280 Nm
- ▶ 0-100 km/h: 7.6 seconds (sDrive)
- ▶ Top Speed: 224 km/h¹ (sDrive)

¹Performance data as measured in the emission test done under controlled conditions of environment, driving cycle, fuel, etc. as specified in Rule 115 of Central Motor Vehicle Rules, 1989.

BMW ConnectedDrive
So connected, you're free.

STAY CONNECTED. WHEREVER YOU GO.
BMW CONNECTED DRIVE.

Our world is becoming more connected everyday. The BMW X1 makes you used to the fact that your vehicle and your world are linked - that you can request information, communicate via telephone or email and always be up-to-date even while on the go. The BMW ConnectedDrive concept encompasses all the services and innovative technologies that network BMW vehicles and their passengers with the world outside.

Rear-View Camera

Shows the area behind the vehicle in the Infotainment Display. The display shows interactive (steering angle, distance) tracer lines in different colours for distance, turning circle and obstacles.

Navigation Plus with Touch Functionality

The Navigation Plus System provides the driver with an innovative 8.8" (22.3 cm) touch display concept and numerous functions for navigation, office and multimedia for maximum comfort and information en route to your destination.

BMW Head-Up Display

The full-colour BMW Head-Up Display uses a multi-colour TFT display to project important driving information onto the windscreen, in your direct field of vision. Information displayed includes current road speed and navigation instructions. The display ensures that your eyes are always on the road ahead, making driving safer. In addition, the BMW Head-Up Display can be aligned horizontally.

iDrive Touch Controller

The iDrive Touch Controller with direct menu control buttons, eight functional bookmarks and voice control makes operation intuitive. It allows you to enter the address of a destination in your handwriting on its touch-sensitive surface.

Connectivity, Bluetooth and USB Devices

With the option of practical USB and Bluetooth connectivity, you can connect your smartphone to the vehicle and have your contact data or schedule on view at any time, with Bluetooth streaming of music, in the Control Display.

Park Distance Control (PDC) Rear

The Park Distance Control (PDC) allows for easy parking and manoeuvring in confined spaces. Acoustic signals and a visual indicator in the Control Display tell you when the rear of the vehicle is approaching an object. Distances are measured by ultrasound sensors in the bumper.

Features listed may not be a part of the standard equipment.

DYNAMICS IN PERFECT CONTROL.
DRIVING DYNAMICS. BMW SAFETY FEATURES.

BMW has always been setting benchmarks in vehicle safety. There is no end to our quest for the next innovation. And it's not just about greater power and more efficient performance. It's also about safety. We prepare our vehicles to expect the unexpected. Before you step into a BMW, we do our best to make it the safest drive.

Dynamic Stability Control (DSC) constantly assesses the vehicle's movements and ensures directional stability and traction.

Cornering Brake Control (CBC) helps the driver by applying braking pressure asymmetrically when braking on a bend.

The Runflat Indicator (TDI) warns the driver with a light in the Control Display when there is a slight drop in tyre pressure. When there is a large pressure drop, there is an additional acoustic warning.

Airbags for driver and front passenger are an integral part of the optimally coordinated safety components in a BMW. A total of six airbags offer targeted protection: driver and front passenger airbags, head airbags for the whole side window area, and side airbags in the front seat backrests.

Side-Impact Protection ensures greater safety. Thanks to the directions of the beams and node joints and selective use of high-strength materials, the functionally designed passenger cell structure provides maximum passive safety in the event of a front, side or rear impact.

LED headlights with cornering lights give a level of illumination comparable to daylight for low-beam and high-beam headlights.

BMW X1 sDrive20d Expedition.

Exterior

- ▶ LED headlamps with extended features – LED daytime running lamps, cornering lights, adaptive light distribution and typical BMW twin circle design parking lights
- ▶ Rear LED tail lights with 3D icon design
- ▶ Roof rails in black matt finish
- ▶ Fog lamps
- ▶ Aerodynamically optimised vehicle underbody – Front air guide and engine compartment shielding
- ▶ Twin exhaust tail-pipe in Chrome finish
- ▶ Rain sensor and automatic driving lights
- ▶ Exterior mirror electric folding with automatic anti-dazzle and parking function
- ▶ 43.18 cm (17") light alloy wheels Double-spoke style 385

Interior

- ▶ Front armrest, sliding with storage compartment
- ▶ 2-zone air conditioning
- ▶ Centre armrest in the rear with 2 cup holders
- ▶ Stainless steel insert - in the loading edge cover of the luggage compartment
- ▶ Floor mats in velour
- ▶ Electrical seat adjustment for driver and passenger with memory function for driver
- ▶ Rear seat 40:20:40 split
- ▶ Rear-View Camera
- ▶ Interior mirrors with automatic anti-dazzle function

EQUIPMENT HIGHLIGHTS.

[01] The LED headlights with cornering lights illuminates the road ahead. The Fog lights in the front apron provide better visibility and increase safety.

[02] 7-Speed Steptronic Sport automatic transmission with double clutch.

[03] 8-Speed Steptronic Sport automatic transmission.

[04] Automatic air conditioning with two-zone control includes temperature control for driver and front passenger, automatic air recirculation and carbon microfilter.

[05] Full colour Head-Up Display projects information relevant to the journey directly into the driver's field of vision.

[06] Rear-View Camera shows the area behind the vehicle in the Infotainment Display. The display shows interactive (steering angle, distance) tracer lines in different colours for distance, turning circle and obstacles.

[07] The 40:20:40 split-folding rear seat bench with backrest manually adjustable to three ways makes loading even easier and the vehicle even more versatile.

[08] The luggage compartment's foldable floor provides more storage space making the vehicle even more practical.

ORIGINAL BMW ACCESSORIES.

Meticulously crafted to enhance how your car looks and the way you feel inside, the accessories for the BMW X1 ensure you leave your mark wherever you go. From stylish alloy wheels and Blue Xenon light bulbs to classy leather key cases and Advance Car Eye, the range of Original BMW Accessories for the car are designed with your individual needs in mind.

TAKE THE WHEEL.
ORIGINAL BMW LIGHT ALLOY WHEELS.

BMW light alloy wheels emphasise the dynamic character and exclusive style of the BMW X1. Not only that, these lightweight cast wheels also help the suspension to smother surface imperfections and improve handling and braking. All wheel/tyre combinations undergo rigorous selection and testing processes, and every last detail is optimised for use to ensure they meet the highest standards of quality as per the Indian market driving condition specifications.

MADE FOR THE RACETRACK.

M PERFORMANCE PARTS

BMW M Performance Parts are the result of years of BMW racing expertise developed with BMW M GmbH. Each component goes through an intense manufacturing and development process, so that uncompromising sportiness is consistently realised every time, right down to the smallest detail. BMW M Performance Parts are the clear choice for premium quality and sporty innovation, whether it is for aerodynamics, drivetrain or cockpit.

[01] The **BMW High-Gloss Black Kidney Grille** gives the front of the car an even more dynamic and athletic look. The glossy Black surrounds make the air inlet appear more striking and bigger than ever.

[02] The **Side Skirt Transfers** in Black perfectly complement the vehicle's design, underscoring its individual, athletic profile, with coloured BMW M Performance lettering.

[03] The **BMW LED Door Sill Finishers** with M Performance lettering, illuminated in bright White, turn the simple act of entering the car into a unique experience. The dynamic design and stainless steel look increase the impact. Cable-free operation, thanks to an integrated battery and magnetic switch.

[04] **BMW M Performance Exterior Mirror Caps, carbon fibre**

[05] The **BMW M Performance Track Fix for GoPro Camera** provides a safe and stable base for taking professional

exterior shots while driving on the racetrack. The external mount is attached to one of the towing lugs. The camera can be controlled by means of an app.

[06] The **BMW Drive Analyser** comprises an on-board diagnostics (OBD) stick and a smartphone app. It allows for a wealth of technical information, including maximum values, engine data, braking distances and much more, to be professionally recorded and analysed. It's exhilaration that can be measured.

EXTERIOR ACCESSORIES.

[01] The **BMW Original Mud Flaps**, available for both front and rear wheels, protect your vehicle and the car behind you against dirt and stone chips.

[02] The **BMW H8 Blue Halogen Lamps** for daytime running light rings, fog lights and cornering fog lights generate brighter, whiter road illumination (colour temperature: 4,000 K) and, at the same time, create a unique and contemporary Blue Xenon light effect in the headlights. They also offer maximum durability.

[03] The **Roof Rails** are required for mounting the BMW rail carrier system. They're harmoniously adapted to the design of your BMW.

INTERIOR ACCESSORIES.

[01] The **BMW Holder for GoPro Camera** inside the vehicle (on the headrests) is effortless. Made with high quality plastic, it is flexible by 360-degree rotation.

[02] The perfectly fitted, **BMW Original Floor Mats** protect the rear footwell from moisture, dirt and keep feet dry.

[03] The **BMW LED Door Projectors** are automatically activated when doors open. They project an image on the ground using an interchangeable slide.

[04] The **BMW Rear Storage Bag** is easily attached to the centre safety belt and can also be used as an armrest in the rear.

[05] A **Cigarette Lighter and an Ashtray** are located in the cup holder in the front of the centre console.

[06] The **BMW LED Pocket Torch** with an elegant stainless steel design comes with high luminosity and durability.

[07] The premium **BMW Door Sill Finishers** with illuminated BMW lettering automatically emit a gentle light when doors are opened.

[08] The **BMW Umbrella** with automatic opening and closing provides protection from rain and sun. It has a removable LED light integrated into the handle to use as a torch.

The **BMW Interior LED Lighting Package** has special lenses which make light appear like a typical light bulb. The modern daylight white light gives the space a comfortable ambience. **(Not illustrated)**

The **BMW Sunblind** can be easily attached to the frame of the side window and used even when the window is open. **(Not illustrated)**

INTERIOR ACCESSORIES.

[01] The **BMW Steering Wheel** in sport leather is available with decorative trim in Black leather, Black with Chrome strips, or High-Gloss Black. Diameter – 369 mm.

and angle. It comes with an additional integrated cup holder with a Chrome ring.

[02] The **Universal Hook** lets you hang pieces of clothing or light bags on the rear side of the backrest.

[05] The **Spectacle Case** with BMW designation keeps glasses stowed safely and easily within reach.

[03] The **iPad/Samsung Tab Holder** can be securely snapped into a separately available base carrier. The swivelling frame lets you make adjustments according to your needs.

[06] The **Travel & Comfort System Clothes Hanger** lets you hang clothes and keeps them intact.

[04] The **Travel & Comfort System Folding Table** can be adjusted for height

[07] The perfectly fitted **Backrest Bag** with variously sized compartments can be easily attached to the back side of any front seat.

The **ISOFIX Base** offers a secure foundation for the infant car seat. The BMW Baby Seat Group 0+ and the BMW Junior Seat Group 1 are easily fitted to the ISOFIX base. Coloured indicators show if the seat is correctly installed. **(Not illustrated)**

The **BMW Carrier** is attached between the front seat headrest pillars and provides a secure base for all components in the modular Travel & Comfort System. **(Not illustrated)**

[08] The high-quality **BMW Leather Key Case** is firmly attached to the key with a stylish stainless steel clasp. It protects against scratches, dirt and moisture and protects buttons from accidental usage.

[09] **Advanced Car Eye 2.0**. A highly sensitive full-HD camera that captures events in front of and behind the car, even when it is parked. In the event of disturbances and extraordinary movement outside the vehicle, the camera automatically records the situation in order to document possible accidents or (attempted) break-ins.

[10] The **Baby Seat Group 0+** with a five-point belt offers unsurpassed safety and comfort for babies up to approx. 13 kg (approx. 15 months old).

[11] The **Junior Seat Group 1** is the safe choice for children from approx. 12 months to 4 years old (approx. 9–18 kg).

[12] The **Junior Seat Group 2/3** can be adjusted as the child grows and offers maximum safety and comfort for children aged approx. 3 to 12 years (approx. 15–36 kg).

[13] The 14-litre electric **BMW Cool Bag** comes in Black and Anthracite. When plugged into the 12V socket, the integrated cooling unit reduces the temperature inside the bag by as much as 18°C below that of the car interior.

BMW Leather Gear Knob with decorative strip in pearl-gloss Chrome. The perfect finishing touch to the matching interior trim. **(Not illustrated)**

TRANSPORT SOLUTIONS.

[01] The **Luggage Compartment Floor Net** prevents loose objects from moving around. The black netting with integrated S-hooks is secured on the luggage compartment's built-in fastening points.

[02] The **Black Folding Box** with a load capacity of up to 20 kg can be used to store smaller items or as a shopping crate. It can be folded/unfolded, is slip-resistant and can be easily stored away to save space when not in use.

[03] The **Durable Mat** protects the loading sill during loading and unloading and the luggage compartment from scratches and dirt.

[04] The **Luggage Compartment Mat** is anti-slip and durable and comes with raised borders on all sides to protect the compartment from dirt and moisture.

[05] The **Universal Rear Seat Protective Cover** keeps the rear seats from getting dirty.

The **BMW Emergency Bag** contains two safety vests in XL size, a warning triangle and a first-aid kit. **(Not illustrated)**

The **BMW High-Visibility Safety Vests** improve personal safety in the event of a breakdown. You'll find two high-visibility safety vests (one size fits all) in a protective cloth bag with a small packing size. **(Not illustrated)**

[06] The **5.0 Amp Battery Charger** can be used to recharge batteries to full capacity. In addition, battery diagnosis and recharging of deeply discharged batteries are also possible.

[07] The **BMW Driver Utility Set** includes a selection of tools for various applications.

[08] The compact **BMW First-Aid Kit** includes all important tools for taking immediate action at the scene of an accident. It includes a Velcro fastener on the back side and is easily accessible through the zip closure around three sides.

[09] The **Fire Extinguisher's** pressure control mechanism and large sturdy handle make it user-friendly. The spray of extinguishing agents can be interrupted to allow targeted extinguishing.

[10] With the intuitive **BMW Mobility Set**, damage on the tyre tread of less than 4 mm can be fixed. The set comprises a powerful compressor, tyre sealant, gloves and various valve adapters that can also be used.

[11] The copper cable **Jump Lead** is fully insulated with an integrated protective circuit and highly robust battery clamps. Delivered in a storage bag with two versions – 3.5 m long with a cross-section of 25 mm² or 4.5 m long with a cross-section of 35 mm² for vehicles with a large capacity.

The stable **Warning Triangle** is an important safety aid in case of an accident. **(Not illustrated)**

BMW CAR CARE PRODUCTS. THE ART OF CAR CARE.

BMW Car Care Products are the BMW approved car cleaning products. Designed to keep your BMW in mint condition from the interior as well as the exterior. They also provide a protective shield against environmental conditions and preserve the high-quality finish of your vehicle.

DIMENSIONS.

BMW EXTENDED WARRANTY AND SERVICE PACKAGES.

A BMW will run well when it's kept well. And to make your journey one with complete peace of mind, we have packages under BMW Service and Repair Inclusive that take care of maintenance, inspection, wear and tear and warranty.

BMW Service Inclusive (BSI)

A single upfront payment covers an extensive range of work on your BMW for a fixed period.

Complete Cost Control.²

Integrate the cost of service work in your leasing and finance instalments.

Fully Flexible.

You have a choice of various packages with different durations and mileage. You can choose from 3 years with 40,000 km to 10 years with 2,00,000 km.

Easily Transferable.

Consistent maintenance by trained BMW Service staff and the use of Original BMW Parts secure the value of your car in the long term. In case you sell your car, BMW Service Inclusive is automatically transferred to the next owner – an additional selling point.

BMW Repair Inclusive (BRI)

BRI offers the ease of extending the warranty of your car with unlimited mileage up to 6 years.

BRI too is automatically transferred to the next owner in the event of selling your car.

	Service Inclusive Packages	Oil Inclusive	Service Inclusive Basic	Service Inclusive Plus	Repair Inclusive
		Maintenance Engine oil service.	Maintenance All maintenance work, including any BMW Original Parts and oil required.	Wear and Tear Additional wear and tear repairs including any Original BMW Parts required.	Repair Extension of your statutory right to claim for vehicle defects (warranty).

BMW FINANCIAL SERVICES.

BMW Financial Services
Realize the dream.

In the world of BMW, world-class isn't limited to the vehicles we engineer. It also finds its way into the services we offer. BMW Financial Services is the most flexible and efficient way to realise your dream of owning a BMW. Our goal is to make your financing experience seamless at every step of your purchase so that nothing comes between you and the joy of driving your BMW.

At BMW Financial Services, you are assured of:

- Tailor-made finance options, as per your specific needs
- Quick approvals with fast turnaround time
- Special loyalty benefits
- Part payment facility
- In-house call centre that provides the best-in-class customer interaction

The BMW X1 comes with an exclusive BMW 360° Plan. It has benefits at every step of the way, all to ensure sheer driving pleasure.

Easy to Buy.

The BMW 360° Plan allows you to pay low monthly instalments as you only pay for what you use.

Easy to Own.

BMW offers various options under service and maintenance packages which further reduce your cost of ownership.

Future Proof.

The BMW 360° Plan provides Assured Buyback value at the end of your finance contract.

For more information, contact the Finance and Insurance Manager at the nearest BMW Authorised Dealership.
