UIRES CONF
IDENCE.

DRIVING WITH
STYLE INSTE
AD OF DRIVIN
G STYLE.

A high-angle, interior shot of a modern car's front cabin. The car features black leather seats with white stitching. The dashboard is equipped with a large digital display showing a navigation map. The steering wheel is black with a silver center. The car is parked in front of a yellow corrugated metal wall, and a blue parking sign is visible through the window. The text "YOUR PARENTS CAN DRIVE SOMETHING ELSE." is overlaid in orange on the bottom left.

**YOUR PARENTS
CAN DRIVE SOMETHING
ELSE.**

**NOTHING
IS THE WAY Y
OU KNOW IT.**

A teal BMW 2 Series is shown from a rear three-quarter view, driving on a city street. The car is moving towards the right, with motion blur on the road surface. In the background, there is a red building with a yellow and black striped fence. A black metal fence with yellow bollards is in the foreground on the left. The car's license plate is M SJ 5130.

THERE'S NO SECOND CHANCE
FOR A BLATANT IMPRESSION.

**GROW UP?
LEAVE THAT
TO OTHERS.**

**VARIETY IN ALL ITS FACETS –
THE BMW 2 SERIES GRAN COUPÉ.**

HIGHLIGHTS.

■ Standard equipment □ Optional equipment

□ The Adaptive LED headlights contain low-beam and high-beam light including the dazzle-free high-beam assistant BMW Selective Beam as well as direction indicators in full LED technology. The equipment also features cornering lights, daytime running lights and Adaptive headlights with city, country and motorway mode for excellent illumination of the road ahead.

□ The M sports seats⁴ * with integrated headrests, deep sitting surface and high side and backrest bolsters offer the driver and front passenger⁴ * improved support, even in fast turns. In addition, the seat can be adjusted to your individual body size thanks to the integrated backrest width adjustment.

□ When open, the Panorama glass roof provides a great deal of fresh air. Closed, it creates a bright, light-flooded atmosphere in the interior. It opens and closes completely automatically at the push of a button or with the vehicle key and is equipped with slide and lift functions, a roller sunblind and wind deflector.

□ Your vehicle key? No need for that anymore. The Digital Key¹ * exists on your iPhone – if compatible – and you can share it with friends.

□ The 8-speed Steptronic Sport transmission² * offers incredibly sporty gear changes. Whether automatic or manual using gearshift paddles or gear lever.

□ The outstanding Harman Kardon surround sound system* features a 464W digital amplifier, nine channels and 16 speakers. Its extremely harmonious sound perfectly fills the interior space. Fully automatic, speed-dependent equalising precisely compensates for any background driving noise.

■ The Through-loading system with rear seat backrests, which are divisible in a 40:20:40 ratio, guarantees flexibility when transporting people and objects.

□ Interior and driver-side exterior mirrors with automatic anti-dazzle function, including electric fold-in function for the exterior mirrors and automatic curb parking function for the front passenger exterior mirror.

□ The BMW Live Cockpit Professional with navigation function includes two high-quality displays consisting of a high-resolution 10.25" Control Display that can be operated by touch and a fully digital 10.25" instrument display. The BMW Operating System 7 can also be operated via the iDrive Touch Controller.

□ The safety package Driving Assistant³ * includes the camera-based systems front collision warning with braking function, Speed Limit Assist incl. Speed Limit Info with No-overtaking indicator with preview and Lane Departure Warning. Additionally, the radar-based equipment includes Crossing traffic warning rear, Lane Change Warning and Rear collision warning.

□ Parking Assistant⁴ * makes parking the vehicle easier. The Rear View camera provides a clearer view behind the vehicle. Active Park Distance Control offers increased protection against damage caused by parking. Parking Assistant parks the vehicle automatically, parallel or perpendicular to the street, and leaves parallel parking spaces.⁵ The Reversing Assistant supports you when reversing, e.g. in narrow lanes.

□ "Hey BMW. Who are you?" Wouldn't it be incredible if your BMW was also your personal assistant? Communicate with your vehicle using the BMW Intelligent Personal Assistant*. It knows you, gets better every day and helps out whatever the situation. You can assign your own personal activation word. It can explain everything about your car and helps you to get to know your BMW even better.

¹ Prerequisite is a BMW ConnectedDrive account and a compatible smartphone. For customers with a non-compatible smartphone, a high-quality Key Card is provided. More information about the BMW Digital Key, e.g. regarding the compatibility of your smartphone, is available at www.bmw.com/digitalkey

² Standard for M235i xDrive.

³ Function may be limited in darkness, fog or bright glare.

⁴ Only available in conjunction with M Sport package and M235i xDrive.

⁵ The driver is responsible for constantly monitoring the automated parking procedure in accordance with local road laws.

* The availability of some equipment features and functions depends on engine variants or additional options. The market and production availability may vary. You can find detailed information about terms, standard and optional equipment at www.bmw.com or at your BMW Partner.

[Colour samples] These colour samples are intended as an initial guide to the colours and materials available for your BMW. However, experience has shown that printed versions of paint, upholstery and interior trim colours cannot in all cases faithfully reproduce the appearance of the original colour. Please discuss your preferred colour choices with your BMW partner or in your dealership. There you can also see original samples and be assisted with special requests.

ORIGINAL BMW ACCESSORIES.

■ Standard equipment □ Optional equipment ○ Accessories

○ Wireless charging, any time and anywhere: Thanks to the BMW wireless charging station universal the smartphone can be charged comfortably and efficiently without a cable in the vehicle. The mobile phone is saved in a stable and safe way. Especially smart: The integrated powerbank can be removed and enables wireless charging outside the vehicle.

○ The perfectly fitted, anti-slip, durable mat with raised borders on all sides protects the luggage compartment from dirt and moisture. It is designed in Black.

○ The LED door projectors are activated when the doors are opened. They project an image onto the ground next to the car using an interchangeable slide.

○ The perfectly fitted, durable all-weather floor mats with a raised border and elegant design protect the front footwell against moisture and dirt. They are black and feature a stainless steel inlay.

○ Sporty 18" M Performance forged wheels V-spoke style 554 M in Jet Black matt. TPMS summer complete wheel set, wheel size 8J x 18.

Discover the wide range of innovative solutions available for the exterior and interior, communication and information, and for transportation and the luggage compartment. Your BMW Partner is on hand to advise you on the whole range of Original BMW Accessories

and the BMW M Performance Parts product portfolio. For further information, please visit www.bmw.com

The figures for performance, fuel consumption and CO₂ emissions refer to vehicles with standard transmission. Figures in [] are for vehicles with Steptronic transmission.

¹ The EC unladen weight refers to a vehicle with standard equipment and does not include any optional extras. The unladen weight includes a 90% full tank and a driver weight of 75 kg. Optional equipment may affect the weight of the vehicle, the payload and the top speed if the selected equipment has an impact on the vehicle's aerodynamics.

² The actual total weight of the trailer must not exceed the maximum trailer load, taking into account the maximum tow bar download.

³ Performance data of petrol engines apply to vehicles using RON 98 fuel. Fuel consumption data apply to vehicles using reference fuels in accordance with EU Regulation 2007/715. Unleaded RON 91 and higher with a maximum ethanol content of 10% (E10) may also be used. Depending on the model, BMW recommends RON 95 super unleaded petrol or RON 98 super plus unleaded petrol. Your local BMW Partner is available to provide further details.

⁴ The data for fuel consumption, CO₂ emissions and energy consumption are determined in accordance with the measurements processes as defined by European Regulation (EU) 2007/715 in the applicable version. Data refer to a vehicle with base-level equipment in Germany, and the ranges account for differences according to the selected wheel and tyre size and the optional equipment and may change during the configuration process. Figures have been determined on the basis of the new WLTP test cycle and have been converted back into NEDC figures for comparability. [For these vehicles, values other than those specified here may apply for the assessment of taxes and other vehicle-related charges that are (also) based on CO₂ emissions.]

⁵ Electronically limited.

⁶ Only available in conjunction with the optional M Performance package.

YOUR NEW SPEED DATING APP.

DOWNLOAD NOW THE BMW BROCHURES APP FROM YOUR APP STORE AND DISCOVER DRIVING PLEASURE!

BMW M235i xDrive:

BMW TwinPower Turbo 4-cylinder petrol engine, 225 kW (306 hp), 19" M light alloy wheels Double-spoke style 552 M Bicolour, gloss-lathed, exterior colour in Snapper Rocks Blue metallic, M Sport seats in leather 'Dakota' with perforations Black, interior trim finishers 'Illuminated Boston'.

This brochure describes the model, features and configuration options in vehicles available to the international/global market. There may be deviations from the features and configuration options described in this brochure, in terms of the standard and optional equipment for the model specified for the South African market. For more precise information about country-specific vehicle versions, please contact your local BMW dealership or visit www.bmw.co.za. Subject to change in design and equipment. E&OE.

Of course, each vehicle is designed for economical recycling after its long-running life. You can find more information regarding your end-of-life vehicle on our website www.bmw.de/recycling. © BMW AG, Munich/Germany.
