The models, colours and equipment versions illustrated and described in this brochure and some of the services listed are not available in all countries. Some of the models and colours of the cars illustrated are equipped with optional features for which an extra charge is made. Details concerning the delivery specifications, appearance, performance, dimensions and weights, fuel consumption and running costs of the vehicle were correct to the best of our knowledge at the time of going to press. Deviations from the colours and shapes shown in the illustrations may occur. No liability is accepted for errors and printing errors. The right to introduce modifications is reserved. Not to be reproduced, including in parts, without the written approval of AUDI AG.

How much time would you like to take to discover the Audi A6?

Time is our most precious resource. We want you to be able to enjoy yours more. Just like the Audi A6, this brochure makes your life easier, wasting none of your time by clearly presenting content as a series of moments. Take your time and discover how the Audi A6 can help you get the most out of it.

This is your time. Audi is more.
The Audi A6.

T i m e is a constant of life. Our goal for the Audi A6 is to enhance time and tailor it to the challenges of life today. That's why we offer the Audi A6 with groundbreaking technology – from smart assist systems to an innovative display and operating concept. You choose the focus. Experience a more comfortable and relaxed drive. And open up possibilities for the things that really matter.

Turn time into
possibilities.

Design
that makes time stop.

The striking design of the Audi A6 not only catches the eye, but also stops time in its tracks. Its powerful stance and upright Singleframe serve to highlight its athletic width. A low centre of gravity and the striking quattro architecture at the wheel arches prove that the Audi A6 has the genes of a timeless legend.

Enjoy the moment.
No matter where you are.

No animals were harmed during the making of this picture.

Noticeably more possibilities.

More functions, fewer buttons: the MMI navigation plus with MMI touch response allows to control many features of your Audi A6 intuitively via a high-resolution 25.6 cm HD touch display. As easy to operate as your smartphone. And with haptic feedback confirming each selection, you can safely use the system even while driving.

Make time for yourself.

Return to yourself. Just like the Audi A6. Impressive design that recalls Audi quattro architecture, recognisable by the deep, sporty shoulder line and the flared wheel arches. The upright and wide Singleframe gives the Audi A6 the progressive dynamics quintessential of an Audi.

This is where you make up time.

Tailor your driving time to your expectations. With the Audi MMI navigation plus, you can choose what driving information is displayed on the high-resolution 25.6 cm HD touch display or in the 31.2 cm HD Audi virtual cockpit. Haptic feedback on the touchscreens confirms each selection and gives you a quick and intuitive way of operating all functions. A faster way to reach your destination – or perhaps discover something even better. You choose how to spend your time.

A space to breathe.

Every day there are certain decisive moments. For example, when you arrive home. The optional coming home/leaving home function turns getting to your front door into an illuminating experience. And the journey home itself can become a unique moment: with the optional contour/ambient lighting package that bathes your interior in one of 30 colours.

Get more out of the day.

Don't orient yourself by the sun: the optional Matrix LED headlights offer you outstanding illumination of the road at night. Thanks to fully variable light control, you will enjoy cornering light and automatic dimming for oncoming traffic. Dynamic indicator and daytime running lights provide an innovative visual highlight. Be unmistakable throughout the day and don't stop even after the sun goes down.
